

## 2023-2024 BOOSTER MEMBERSHIP FORM

The Lake Braddock Vocal Music Boosters (LBVMB) encourages all parents to join the Booster organization, which supports our students in their choral curriculum and activities. Various levels of membership exist and are detailed below. Funds raised through booster membership cover the majority of our general operating expenses for the year. These funds are vital to maintaining the high standard of excellence established by the Lake Braddock Chorus. Due to county budget constraints, the choral program is highly dependent on parent support to purchase music and other necessary instructional materials for our students. Thank you for your contribution and support of the Lake Braddock Choral Department students.
